

# WOULD YOUR BUSINESS STAY AFLOAT?

**ARE YOU REGISTERED TO  
RECEIVE FLOOD WARNINGS?**

**FOLLOW THESE SIMPLE  
INSTRUCTIONS**

Go on to the Environment Agency website - flood section

<http://www.environment-agency.gov.uk/business/topics/32354.aspx>

Enter your postcode.

If you are able to register, you can then go to

[Sign up to Floodline Warnings Direct](#), then to

[I want to sign up for Floodline Warnings Direct online](#)

Enter your business, personal & contact details.

If you get a message that you cannot register, let the Emergency Planning Team at NHS Suffolk know and if you are in an area of risk your premises can generally be added manually. Even if your building is not directly at risk, your business could be disrupted if you or your customers could not get to your premises because of flooding in the surrounding area.
