

Your child's sight is precious

**An undiagnosed vision defect
can affect your child's ability to learn**

It is recommended that **all children** have their eyes checked
by an optician before starting school

Every child is entitled to a
free sight test

Child-friendly Optometrists in Suffolk
are part of the Jolly Giraffe Campaign and
display this logo in their window

Book an appointment today
with your local optician and give
your child a **clear start in life!**

To find your local optician
